

INTRODUCING

PROFIRE

OUR NEW

ALBERTA LOCATION

We are excited to announce that we have completed construction of our all-new Canadian Headquarters. Located in Acheson, AB, our new 27,000 sq. ft. facility has been designed to better serve our customers and support our team. We look forward to showing you the space in the spring/summer when we host a grand opening event.

NEW ADDRESS:

Profire Energy, Inc.

9671 283 Street

Acheson, AB T7X 6J5

KEY DATES & INFORMATION

- March 9th - 11th – Shipping will be closed as inventory is transferred
- March 12th – All shipping will be from the Acheson location
- All phone numbers will remain the same

LOCATION HIGHLIGHTS

- Expanded customer training and collaboration space
- Increased our inventory capacity
- Strategic logistical location
- Integrated product development and engineering lab
- Dedicated quality control facilities
- Upgraded working space for our team
- Improved telephony and connectivity

AS OF MARCH 5TH, 2020, PLEASE UPDATE YOUR RECORDS ACCORDINGLY.
